

Sope Creek School Council

Sope Creek Elementary

1.17.2020

7:30 AM

**Welcome:** Dr. Doug Daugherty- Agenda

Sope Creek Elementary was honored as one of The National Blue Ribbon Schools. The Administration accepted the award in DC. The School also has been Stem Certified by Cobb County. Everyone has been working hard toward the certification.

**Career Day, March 11, 2020:** Counselor blast this week. Volunteer/Presentation opportunities are available.

**Sope Creek-School Strategic Plan (SSP) Template:** We would like to be able to draw a strait line from the Cobb County Superintendent to our school, our administrators, teachers and classrooms. 2 goals: One academic goal driven by data, due to the county by January 31st. Our academic goal will most likely be writing. Second goal: Cobb collaborative communities. Grade levels meet every Tuesday, meetings now are an intense focus on data and how to move ideas forward. Administrators are in all meetings.

**Georgia Milestones:** Testing will be the second week of April. We ask all parents to help at home with readiness including: rest, healthy meals and review. Question/ 3rd graders are expected to type their answers correct? Answer/Yes

**Foundation Update: Jen Gaspar, Charul Patel and Sari Jansen-**

Available cash \$80,000. Grants passed in December include: 1. 3D Printing Supplies. Several years ago the Foundation funded the grant for the 3D Printer and supplies. Replacement supplies are now needed. Grant requested \$2,023. Admin Day at RCA- Goal to learn from their leaders to keep up energy and in support in setting our Strategy. Spring Fast Class sign up went smoothly, same amount of reservations but more classes this semester. Fund Development is preparing to kickoff our campaign. We currently have raised \$20,000, this is \$5,000 less than lasts year at this time. We will be hosting two events in Jan/Feb Gamers and Gals and the the Sweetheart Dance.

**PTA Update: Rebecca King-**

Successful PTA programs in the past few months include: Georgia day, Pioneer Day, 5th Grade Project Mail Call and 4th Grade Senior Project. Programs coming up include: Nursing home visit, Teacher Appreciation week, International night (chair needed) Exceptional children week and Art Day. Dr. D. Comment/ Feb 4th 10am, Assistant Superintendent will be our guest and will present CCRPI data.

**Upcoming Meeting:**

March 20

**Adjourn: Dr. Doug Daugherty**

Thank you for your service to our school council.
